

GROHE BLUE PROFESSIONAL

BENEFITS AT A GLANCE

With the GROHE Blue watersystem your company can enjoy the benefits of filtered, chilled and sparkling water on tap. The GROHE Blue watersystem transforms ordinary tap water into filtered, fresh, perfect tasting drinking water, whenever you want it – 24 hours a day, 7 days a week.

TASTE & HYDRATION

GROHE's filters remove impurities to give water a pure, fresh taste that even beats bottled water.

COST & SPACE SAVING

GROHE Blue eliminates the cost and hassle of buying, transporting and storing bottled water. These savings will keep adding up, year after year.

COMFORT

Free and unlimited access to fresh and sparkling water will be valued by employees and increases motivation and productivity.

Fast and easy preparation of cold- and hot drinks provides more time for the essentials.

SUSTAINABILITY

GROHE Blue reduces the carbon footprint – no more use of plastic bottles, less waste in production and lower CO2 emissions than for bottled drinking water.

GROHE BLUE PROFESSIONAL

TURN YOUR OFFICE SPACE INTO A BOTTLE-FREE ZONE

The unique GROHE Blue watersystem delivers fresh, great-tasting filtered water straight from your office kitchen faucet. It combines the modern look of a designer tap with a high-performance filter, cooler and carbonator – but can also be used as an ordinary kitchen tap.
